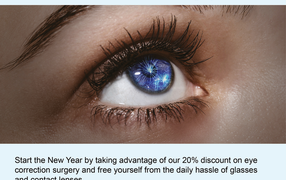
Save 20% on LASIK Surgery



Start the New Year by taking advantage of our 20% discount on eye correction surgery and free yourself from the daily hassle of glasses and contact lenses.

To qualify for this limited time 20% off LASIK offer, your consultation must be booked attended by January 31st, 2019 and the surgery must be carried out by March 31st, 2019.

For more information and to book a consultation, call +971 4 429 7888.

Patient Successfully Treated for Cataracts

Julie Catherine was diagnosed with cataracts at Moorfields Eye Hospital Dubai. She underwent a successful eye surgery to treat cataracts by Dr. Ammar Safar, Consultant Vitreoretinal Surgeon.

Some people may not be aware that a cataract is developing. It can start at the edge of the lens and initially may not cause problems with vision. Generally, as cataracts develop, people experience blurring or hazing of vision. Often, they become more sensitive to light and glare.

Moorfields Dubai 2018: A Year in Focus

Moorfields Eye Hospital Dubai hosted the 1st International Ophthalmology conference on January 10th and 11th at Mohammed Bin Rashid University.

The conference was a resounding success and brought together some of the world's leading experts in ophthalmology, to concentrate on innovation that took place in 2018 and anticipated breakthroughs in 2019.

We would also like to extend our sincere appreciation to Dr Amer Sharif, CEO of Dubai Healthcare City Authority – Education Sector (DHCE) and the Vice Chancellor of the Mohammed Bin Rashid University of Medicine and Health Sciences (MBRU), and his team for his wonderful keynote address at our opening and for granting us the privilege to use the state-of-the-art facilities at the MBRU, and we would especially like to thank Eng. Omar Oumeish, Executive Director, DHCA and the leadership team of the DHCA and MBRU for attending.

To make an appointment for a driving license eye test, please call +971 4 429 7888 or click here.

Paediatric Cataract

Watch Dr Darakhshanda Khurram, Consultant Paediatric Ophthalmologist at Moorfields Dubai, talks about Paediatric Cataract.

The Importance of Nutrition to Your Eyes

Dr. Luisa Sastre, Specialist Ophthalmologist in Medical Retina, talks about the importance of nutrition to the eyes, read below for more information and details on this.

When faced with a diagnosis such as macular degeneration or diabetic retinopathy, many of my patients ask me: "Doctor, is there anything else, apart from the conventional treatments that I can do to stop the progression of my eye disease or to prevent it in my other eye?" Read More

Collaborations - Corporate and Healthcare Facilities

We are continuously extending our service offering and preferential rates to corporates and healthcare facilities including healthcare facilities and corporates/loyalty card holders such as:
