## Employee of the Month - January 2020

We have recently introduced the employee of the month initiative to recognise the fantastic efforts that our employees continue to demonstrate, leading Moorfields towards growth and achieving its vision.

Congratulations to Emma Smyth, Quality and Risk Management Officer & Orthoptist, who has been chosen as Employee of the Month - January 2020. Emma has continuously displayed passion towards our organisational goals and extended exceptional efforts in maintaining, and further growing, the high clinical quality of services offered at Moorfields.

## Presbyopia Surgical Treatments: How do we remove progressive glasses?

This article on 'Presbyopia surgical treatments: How do we remove progressive glasses?' has been contributed by Dr. Miguel Morcillo, Consultant Ophthalmologist, Specialist in Cornea and Refractive Surgery.

### What is Presbyopia?

When you have difficulty in focusing on near objects, usually as we head into our 40s & 50s, you probably are developing presbyopia. It is a condition that affects everyone as they get older. Why presbyopia happens is not clear.

## Giving Back to the Community - Screening Events

As part of our ongoing commitment to the community, we recently organised a screening event in collaboration with Dubai Media Inc. to screen their employee's vision, ensure their eye health and raise public awareness about the importance of maintaining eye health.

We screened over 50 of their employees. The screenings included: medical history, eye pressure tests and near & distance vision screening.

If you represent an events company, a corporate or a healthcare facility and are interested in corporate screenings offered by Moorfields Eye Hospital Dubai, please contact [eymen.baloglu@moorfields.ae](mailto:eymen.baloglu@moorfields.ae)

## Collaborations - Corporate & Healthcare Facilities

We are pleased to announce that we have extended our service offering and preferential rates to the following healthcare provider:

If you are a healthcare facility and would like to refer a patient for specialist eye care, we have a dedicated team to provide advice and ensure a simple and efficient process for you and your patients. Please visit [www.moorfields.ae/dubai/referrals/](http://www.moorfields.ae/dubai/referrals/).

If you represent a corporate or a healthcare facility and are interested in special offers from Moorfields Eye Hospital Dubai, please contact [shereen.alnaser@moorfields.ae](mailto:shereen.alnaser@moorfields.ae) or [maha.aboughali@moorfields.ae](mailto:maha.aboughali@moorfields.ae)
